Pinnacle® Marine Gear - Synthetic
Delo 100 Motor Oil SAE 40

Greases, Wire Rope & Open Gear Lubricants

Multifak® EP 2
Ulti-Plex® Synthetic
Clarity Synthetic EA Grease

The product recommendations provide general guidelines for use in marine vessels. All manufacturers have different coolant and lubricant requirements and recommendations. It will be important to contact a Chevron representative or refer to the Original Equipment Manufacturer manual to confirm the proper product is used for the application. You may contact our LUBETEK organization (800-LUBE-TEK) for confirmation of specific OEM specifications.
