Conventional and SynBlend Performance

**Deko 400 XLE SAE 15W-40 / SAE 10W-30**
- All Diesel Engines
- Customers wanting long oil drain interval protection
- Improved cold weather pumpability for an SAE 15W-40

**Deko 400 LE SAE 15W-40**
- All Diesel Engines
- Customers wanting improved engine oil performance and protection

**Deko 400 SDE SAE 15W-40**
- All Diesel Engines
- (including the new OMS 17 engine)
- Customers wanting to remain on current API CJ-4 SAE 15W-40

**Deko 400 LE SAE 15W-40**
- All Diesel Engines
- Customers wanting to remain on current API CJ-4 SAE 15W-40

Performance capabilities:
- Up to 30% longer drain intervals vs API CJ-4
- Up to 85% better wear protection vs API CJ-4
- Up to 40% reduction in piston deposits
- Up to 1% improved fuel efficiency vs SAE 15W-40 SAE 10W-30
- Delo Warranty Plus Protection

Product Benefits:
- Extreme Cold Pumpability
- Fuel Efficiency Benefits
- Maximum Engine Durability Protection
- Maximum Fuel Efficiency
- High Temperature Protection
- Engine Durability Protection

Performance Benefit Icons Legend

**Icon Performance Benefit**
- **Extended Oil Drain Protection**
- **Excellent Wear Protection**
- **Helps Minimize Operating Costs**
- **Cold Weather Start Up**
- **Clean Turbo Technology**
- **Clean Piston Technology**

All trademarks are property of Chevron Intellectual Property LLC.

DEC 2016

**Icon Performance Benefit**
- Up to 50% better wear protection vs API CJ-4
- Up to 60% improved diesel engine durability vs API CJ-4
- Up to 20% increase in total diesel engine life to rebuild
- Delo Warranty Plus Protection

**Product Benefits**
- Starting December 1, 2016 all small packs (gallon jugs & quarts) will move to the new Delo 400 API CK-4 offerings
- This product will only be available to Chevron Marketers in bulk after December 1, 2016
- End customers can continue to purchase this product from Chevron Marketers in bulk, drum and pail package styles
**DELO® HEAVY-DUTY ENGINE OIL**

**DELIVERY**

Delo Heavy-Duty Engine Oil with ISOSYN® Advanced Technology

Delo with innovative ISOSYN® Advanced Technology is here. Delo is delivering industry-leading durability, reliability, and efficiency. It works in synergy with the changing conditions in your engine to maximize protection, optimize performance, and extend oil life.

**ISOSYN ADVANCED TECHNOLOGY**

**What is it?** The combination of Chevron’s outstanding formulation expertise, unique high performance additive chemistry and premium base oil help extend the durability of critical diesel engine parts.

**PRODUCT BENEFITS**

- **Compared to an API CJ-4 SAE 15W-40 HDMO. Always check OEM recommendations and utilize used oil analysis testing when extending oil drain intervals**
- **Excludes Volvo and Mack diesel engines. For Detroit DD15 and DD13 engines, product can be used for GHG ‘17, EPA ‘13 and EPA ‘10 model engines**
- **Versus MB-Approved 228.31**
Delo Heavy-Duty Engine Oil
with ISOSYN® Advanced Technology

Delo® with innovative ISOSYN® Advanced Technology is here. Delivering industry-leading durability, reliability and efficiency. It works in synergy with the changing conditions in your engine to maximize protection, optimize performance and extend oil life.

**ISOSYN ADVANCED TECHNOLOGY**

*What is it?* The combination of Chevron’s outstanding formulation expertise, unique high performance additive chemistry and premium base oil help extend the durability of critical diesel engine parts.

**UP TO 35% IMPROVED OIL OXIDATION CONTROL**

*Compared to previous generation Chevron HDMO formulations*

**UP TO 68% IMPROVED WEAR PROTECTION**

*Compared to previous generation Chevron HDMO formulations*

**UP TO 46% IMPROVED PISTON DEPOSIT CONTROL**

*Compared to previous generation Chevron HDMO formulations*

Improved durability, reliability and efficiency: Delo 400 products formulated with ISOSYN Advanced Technology can provide improved engine longevity, extended oil drain performance, and excellent diesel component parts protection, helping to extend vehicle life and minimize the total cost of ownership when compared with previous generation Chevron HDMO formulations.

In addition, Delo 400 low viscosity oils formulated with ISOSYN Advanced Technology will help optimize fuel efficiency performance and total cost savings.
