## 2020 Chevron Delo Tractor Restoration Report

*Note: This is a report template to be used as an example if you aren't able to open Word files. Please refer to the instruction book, pages 5-11 for what you should include in your report. You may also design your own report format, but be sure and include a cover page with your team name, tractor year, make and model, and a photo. Pictures help tell the story so include as many as you like, but include captions to show what you are pointing out in your photos. Refer to the instruction book for complete details.*

*Following are the required report sections:*

- **Cover Page** *(must include your name(s), school or chapter name, and a photo of your tractor with the year, make and model)*
- **Table of Contents**
- **Your Story**
- **Your Tractor's Story**
- **Restoration Process**
  - Engine
  - Transmission
  - Final Drive
  - Ancillary Systems
  - Auxiliary Systems
  - External Appearance
- **Labor Report**
- **Expense Report**
- **Safety Report**
- **Discovery Essay**

**Time to get started!**
