

**TRACTOR  
RESTORATION  
COMPETITION**

## NEW FOR 2021

**To New Competitors:** For those of you who are new to the Delo Tractor Restoration Competition, we welcome you to the competition and the community. This Instruction Book is your source for all the requirements and guidelines for the competition. Reading every section, including the FAQ, can save you time in the long run, and set yourself up for success (and the road to the Finals).

**To Returning Competitors:** We are lucky to have so many teams, advisors, and mentors return year after year so we have added this summary section to call attention to changes and new requirements for the Competition.

**COVID-19:** We do plan on having the Finals in-person co-located with the FFA National Convention in Indianapolis. This will mean adhering to all safety measures prescribed by Chevron, the FFA Convention, as well as the hosting hotel venue. Chevron's number one goal is always safety for everyone in the competition.

In addition to health and safety concerns, the pandemic has affected us all myriad ways including parts and supply issues, price increases, remote learning and travel restrictions. Our goal is to make sure as many competitors are able to participate in 2021 as possible. If you have any special circumstances or concerns, please reach out to our TRC Coordinators at [trc@deckelmoneypenny.com](mailto:trc@deckelmoneypenny.com).

### New for 2021

- Phone number change: call or text (502) 345-1478, or call (800) 501-7469
