

new for 2022

Since its inception in 1997, the Tractor Restoration Competition (TRC) has impacted the lives of students, their families, advisors and mentors around the country. This year, we mark the 25th anniversary of the TRC—a quarter century enriching future leaders. In addition to that milestone, we are debuting our new name: the **Chevron Tractor Restoration Competition**. We hope that you will be part of this very special year with us!

Our goal is to make sure as many competitors are able to participate in 2022 as possible. The COVID-19 pandemic continues to affect supply chain, prices, and travel. If you have any special circumstances or concerns, please reach out to our TRC Coordinators at trc@deckelmoneypenny.com.

Our finals will be returning to Indianapolis in October, co-located with the National FFA Convention & Expo.

To new competitors:

For those of you who are new to the Chevron Tractor Restoration Competition, we welcome you to the competition and the community. This Instruction Book is your source for all the requirements and guidelines for the competition. Reading every section, including the FAQ, can save you time in the long run, and set yourself up for success (and the road to the Finals).

To returning competitors:

We are lucky to have so many teams, advisors, and mentors return year after year. Please **download the current Resource Kit** with templates and make note of the changes noted here:

- Website and social media accounts are transitioning from names that include Delo to Chevron:
 - **ChevronTractorRestoration.com**
 - The old URL (**DeloTractorRestoration.com**) will continue to redirect to the main site
 - Facebook, Instagram, and Twitter all are now @ChevronTRC
 - YouTube remains @TRCAdmin
- Eligible tractor models should have been tested by the University of Nebraska Tractor Test Laboratory
- NEW \$500 Safety Award
- There will be no FFA Show Favorite, but we will continue to have online voting for the Fan Favorite and awards for the winner and runner up

Please be sure to follow our social media accounts, and check back often for announcements and updates about the competition.
