- Coolant/Antifreeze Systems** – Coverage includes all North America and foreign-manufactured heavy-duty automotive coolant systems maintained and operated in accordance with the original equipment manufacturer's recommendations. **Products include: Delo ELC Advanced, Delo ELC, Delo XLC, Delo XLI and Delo ELI.**

Chevron will, at its option, replace at no charge or refund the purchase price of any Delo products not conforming to this warranty.

Additionally, Chevron will pay to repair damage (parts and labor only) to your covered equipment to the extent that the damage is directly caused by the failure of the Delo product to conform to its specifications or comply with its written product performance claims, provided Chevron is furnished with satisfactory documentation demonstrating:

- The equipment meets and was operated in accordance with the manufacturer's specifications for the equipment and was used under normal operating conditions and in accordance with the manufacturer's operating instructions and limitations, including speed, load, and temperature; and
- The equipment was maintained in accordance with the manufacturer's recommendations, including compliance with product selection, monitoring and drain recommendations. For equipment maintained under a manufacturer-endorsed extended drain regimen, you must perform periodic analyses of the Delo product to forecast optimum drain intervals and to monitor equipment operations.

Such warranty will not extend to components not included in the descriptions of covered equipment listed above or to equipment damaged as the result of a condition that is unrelated to the use of the Delo product or is the result of normal and expected equipment wear or where the use of other products may have affected the performance of the Delo product (including after-market additive treatments).

To make a claim for equipment repairs under this warranty, you will need to notify Chevron within thirty (30) days of the equipment damage and present records showing that the equipment was serviced at the intervals recommended by the manufacturer. You will also be required to submit a sample of the Delo product from the failed equipment, as well as provide Chevron the opportunity to inspect and test the equipment and failed parts upon request.

CHEVRON MAKES NO OTHER WARRANTIES WHETHER EXPRESS OR IMPLIED WHICH EXTEND BEYOND THOSE DESCRIBED IN THIS WARRANTY. CHEVRON SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. CHEVRON SHALL NOT BE LIABLE TO YOU OR TO ANY OTHER PERSON FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL OR INDIRECT LOSSES OR DAMAGES ARISING FROM THE USE OF THE CHEVRON PRODUCTS SOLD HEREUNDER.

Call toll-free **1-800-LUBE-TEK (582-3835)** if you have an equipment problem.

Should you experience equipment failure, Chevron's WARRANTY PLUS technical support team will work with you to help determine the cause of the problem. If it's not the fault of our Delo product, we'll provide you with the results of our analysis to assist you in determining the root cause of the failure.
