

TECHRON

FUEL INJECTOR CLEANER

CLEANS
INJECTORS
IN ONE EASY
TREATMENT

Maximizes Performance and Fuel Economy[†]

Exclusive Synthetic PEA Formula

Fuel injector deposits at the injector tip can impact fuel flow, upsetting the air/fuel mixture. The symptoms of these deposits can be:

- Hesitation or stumble during acceleration
- Loss of power
- Increased emissions of hydrocarbons and carbon monoxide

Techron Fuel Injector Cleaner can clean up these deposits in one treatment.

Techron® Premium Fuel Additives

*Recommended Automotive Treatment

Techron® Premium Fuel Additives

Maximize Performance and Fuel Economy,[†] Minimize Emissions

Complete Fuel System Cleaner

Fuel Injector Cleaner

CLEANING BENEFITS

- CLEANS and PROTECTS fuel injectors, valves, combustion chambers
- CLEANS and RESTORES operation of the fuel gauge sensor
- LOWERS harmful exhaust emissions
- RESTORES lost power and acceleration
- REDUCES rough idle, engine surge and hesitation
- PREVENTS spark plug fouling
- WILL NOT harm catalytic converters and oxygen sensors
- WILL NOT contribute to engine crankcase sludge

- REMOVES deposits from fuel injectors that can cause hesitation, loss of fuel economy and loss of power
- CLEANS clogged fuel injectors in one treatment
- WILL NOT harm catalytic converters and oxygen sensors
- WILL NOT contribute to engine crankcase sludge

USAGE

Automobiles and Trucks: 3,000 miles

All Other Engines: As Needed

RECOMMENDED FOR USE IN:

- Spark ignition engines with gasoline, ethanol and gasoline/ethanol blends
- Direct injected gasoline engines (DISI)
- Gasoline hybrid vehicles

SUITABLE FOR USE IN:

- Gasoline 2 stroke air-cooled and water-cooled engines
- Gasoline 4 stroke engines

Automobiles and Trucks: 1,000 miles

All Other Engines: As Needed

RECOMMENDED FOR USE IN:

- Spark ignition engines with gasoline, ethanol and gasoline/ethanol blends
- Gasoline hybrid vehicles

SUITABLE FOR USE IN:

- Gasoline 2 stroke air-cooled and water-cooled engines
- Gasoline 4 stroke engines

[†] Restores lost fuel economy by removing harmful fuel injector deposits
